Welcome to Indo Asian Academy

Indo Asian Academy, founded in 2007, stands as a vibrant hub of learning and innovation in the heart of Kalyan Nagar, Bangalore. Over the past 18 years, we have empowered thousands of students from across the globe, preparing them to thrive in today's dynamic world.

At Indo Asian Academy, we believe in more than just education—we foster curiosity, creativity, and confidence. Our dynamic programs in Science, Commerce, and Arts are designed to be future-focused, enriched by value-added and certification courses that give our students a competitive edge.

Through partnerships with prestigious institutions such as the National College of Ireland and TalentSprint, we offer global exposure and industry-relevant training in areas like Banking and Financial Services.

At Indo Asian Academy, our values—Equality, Integrity, Quality, and Diversity—guide our commitment to shaping tomorrow's leaders. Join us on a journey of growth and excellence!

Vision & Mission

Vision

To build in each student a strong character and the will power to excel globally

To be the prime player in providing impartial career-oriented education to all

To work on par with academic and professional success through creativity, cultural awareness, critical thinking

Mission

Dissemination of quality education to the aspirants to develop their personality, to improve the quality of life and to make them worthy citizens.

To give stellar educational opportunities that are receptive to the necessities of its students, and engage them to address and surpass difficulties

**Integrated
and Relevant
Curriculum**

Message From Founder Chairman

Prof. Dr. T. Ekambaram Naidu

I Prof. Dr. T. Ekambaram Naidu, Founder-Chairman of Indo Asian Academy Education Trust, Bengaluru, warmly welcome you to one of the top institutions in the IT hub of the world. At Indo Asian, we aim to shape students into confident, proactive leaders who excel in everything they pursue. As Swami Vivekananda said, "Take up one idea and make it your life." We encourage our students to embrace this philosophy for success.

Our success stems from dedicated faculty and strong placement records. With value-added courses and essential job skills, we prepare students not only for careers but for a life of integrity and confidence. Join Indo Asian Group and lead with purpose!

Why Choose Indo Asian Academy ?

✓ **Academic Excellence**

At Indo Asian Academy, we blend quality education with cutting-edge learning methods to prepare students for real-world success. Our experienced faculty bring a wealth of knowledge and mentorship to every classroom.

✓ **Comprehensive Programs**

We offer Science, Commerce, Arts, and Professional courses, along with certifications in AI, Data Science, Machine Learning ,Digital Marketing and Cloud Computing to prepare students for a competitive world.

✓ **State-of-the-Art Facilities**

Our modern campus features smart classrooms, advanced laboratories, a digital library, and sports facilities—designed to inspire learning, creativity, and personal growth.

✓ **Placement Support**

Our Placement Cell ensures strong ties with top companies through counseling, internships, and recruitment drives, bridging education with employment.

✓ **Holistic Development**

We focus on overall personality development through sports, cultural activities, seminars, workshops, and leadership programs—equipping students with essential life skills.

✓ **Safe and Supportive Environment**

We foster a safe, inclusive, and supportive campus that encourages respect, diversity, and collaboration—ensuring every student feels valued and empowered.

Choose Indo Asian Academy—Where Education Meets Opportunity!

Join us and become part of a dynamic, future-focused community dedicated to academic success and personal growth.

Certification Courses at Indo Asian Academy

At Indo Asian Academy, we empower students with practical skills that complement their academic knowledge. Our Certification Courses are designed to enhance employability, bridge industry skill gaps, and keep you ahead in today's dynamic job market. These courses are available to both current students and external learners.

Our Certification Programs Include:

Artificial Intelligence & Machine Learning

Gain foundational knowledge in AI concepts, machine learning algorithms, and real-world applications.

Digital Marketing

Master the art of online branding, social media marketing, SEO, and content creation to thrive in the digital age.

Tally & GST

Learn accounting software and GST compliance to gain an edge in finance and accounting roles.

Cloud Computing

Get hands-on experience with cloud technologies, deployment, and maintenance—key skills in today's tech landscape.

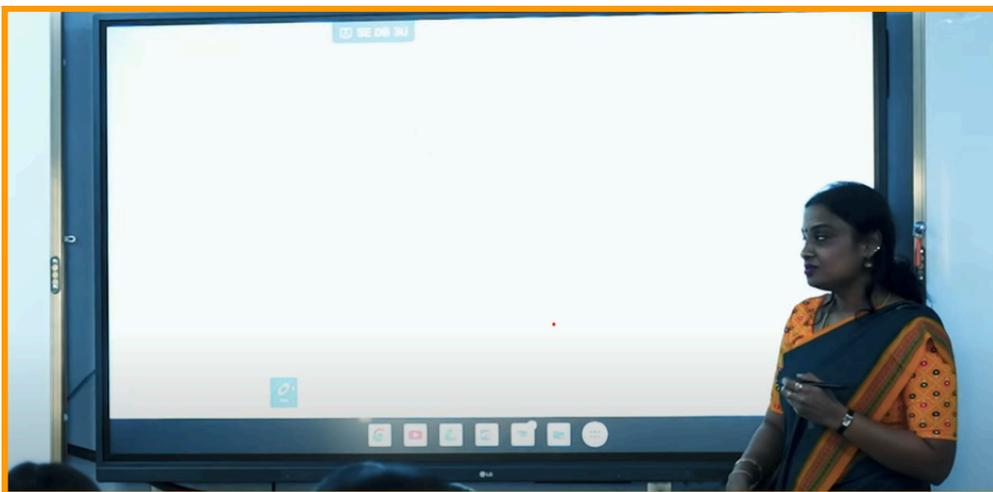

World Class Infrastructure

Indo Asian Academy Group of Institutions offers world-class infrastructure designed to meet global academic standards. Our campus features smart classrooms, high-tech laboratories, digital libraries, advanced computer labs, seminar halls, and 24/7 Wi-Fi connectivity. With CCTV surveillance, well-maintained classrooms, sports facilities, and a hygienic cafeteria, we provide a safe, modern, and enriching environment that fosters both academic excellence and holistic development.

Smart Classrooms

At Indo Asian Academy Group of Institutions, our smart classrooms are equipped with advanced digital boards, high-speed internet, and multimedia tools to foster interactive and technology-driven learning. These modern spaces enhance student engagement, support visual learning, and create a future-ready academic environment.

Digital Library

Our Digital Library provides students with 24/7 access to a vast collection of e-books, academic journals, research papers, and online databases. Equipped with computer terminals and high-speed internet, the facility supports seamless learning and research. Students can access national and international digital resources, including NPTEL, DELNET, and open-source materials. The environment is quiet, well-organized, and ideal for focused study. Digital tools help students search, highlight, and save content, enhancing the learning experience.

Fully Equipped Laboratories

We offer a range of state-of-the-art laboratories to support practical learning across disciplines:

Computer Labs:

High-performance computers with updated software, high-speed internet, and licensed tools for programming, coding, and design. Students receive hands-on training in areas such as AI, Data Science, and Web Development.

Science Labs (Physics, Chemistry, Biology):

Well-ventilated, safety-compliant labs with modern equipment and materials for experiments, research, and project work.

Commerce & Business Labs:

Equipped with simulation tools for accounting, business strategy, and economic modeling.

Seminar Hall & Auditorium

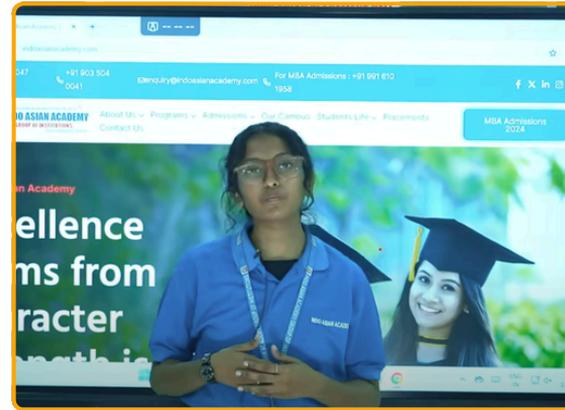

Our campus features well-designed seminar halls and a spacious auditorium equipped with modern audio-visual systems, projectors, and high-speed internet. These venues host guest lectures, student presentations, workshops, cultural events, and academic seminars. The fully air-conditioned spaces provide comfortable seating and a professional atmosphere, fostering active learning and public speaking. The auditorium is ideal for large-scale events, while seminar halls support interactive sessions and departmental activities. Together, they create dynamic platforms for student engagement, knowledge sharing, and holistic development.

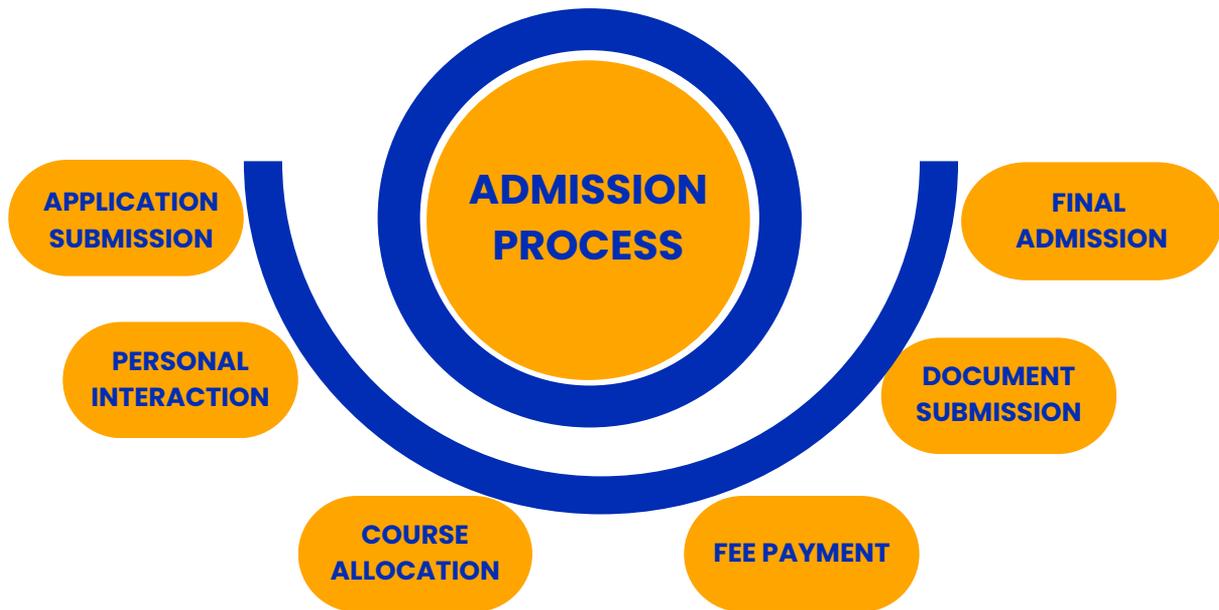

Escalators & Elevators

To ensure ease of movement across multi-storey buildings, Indo Asian Academy Group of Institutions is equipped with modern escalators and high-speed elevators. These facilities provide safe, quick, and comfortable access for students, staff, and visitors, especially benefiting those with mobility challenges. Regular maintenance and safety checks are conducted to ensure smooth operation and reliability. The presence of escalators and elevators reflects our commitment to creating an accessible and student-friendly campus environment.

Admission Procedure

Application Submission

Complete the online or offline application form and submit it along with the application fee.

Interview/Counseling

Attend an interview or counseling session, if required for the course.

Programme Allotment

Get allotted to your chosen program or course.

Fee Payment for First Year

Pay the admission and tuition fees as per the college's fee structure.

Document Submission/Verification

Submit all required documents for verification.

Final Admission

Complete final admission formalities and receive your student ID.

COURSE STRUCTURE

Semester 1

- Advanced Java Programming
- Advanced Software Engineering
- Theory of Computation
- Data Structures and Algorithms
- Advanced Java Programming Lab
- Data Structures and Algorithm Lab
- Soft Core - Personality Development

Semester 2

- Artificial Intelligence and Robotics
- Web Engineering
- Concepts of Data Science using Python
- Operating System and Linux
- Web Engineering Lab
- Data Science Lab using Python
- Soft Core - Information Retrieval Systems

Semester 3

- Machine Learning
- Business Intelligence and Data Visualization
- Elective-I
- Open Elective
- Machine Learning Lab
- Data Visualization Lab

Semester 4

- Research Methodology
- Elective-III
- Elective-IV
- R Programming lab
- Main Project

Electives

- Object Oriented Analysis and Design using UML
- Internet of Things
- Quantum Computing
- Cloud Computing
- Mobile Computing
- Cyber Security and Cyber Laws
- Big Data Analytics
- Blockchain Technologies

SRI KRISHNA RUKMINI COLLEGE OF NURSING

Affiliated to Rajiv Gandhi University of Health Sciences, Govt.of. Karnataka

STUDENT TESTIMONIALS

It has been a great experience of 3 years at IAA. My overall experience to date has been amazing. The college infrastructure, faculty, and staff are all very good. Our lecturers were friendly who treat everyone equally and without hesitation they would clarify all the doubts and extend good emotional support.

-Ukwa Nadesh Ambo
BCA

The emphasis on sports along with education always helped me a lot

-Manjula Devi.K
M.Com

My experience at IAA is great and memorable. The faculties at IAA College helped me enhance my academic and interpersonal skills. I also achieved outstanding student award in the final year. I took part in Intra and Inter Collegiate fests and won many prizes

-Prem Kumar B
MBA

Awesome platform, IAA has good faculty who treats all very well, I am proud to be a part of IAA.

-Ambareesha V
M.Com

The facilities on campus are outstanding. There is emphasis to sports, cultural and co-curricular activities.

-Naghma Shifa
BBA

I was fortunate to complete my PG M.Sc Computer Science from Indo Asian Academy. The immense support extended by the faculty and institute helped me to secure 1st Rank and Gold Medal in M.Sc. Computer Science (BATCH 2017-2019) from Bangalore University.

-Fazila Begum N

Placement Cell at Indo Asian

The Placement Cell at Indo Asian Academy is committed to connecting students with top companies and preparing them for successful careers. Our process includes campus recruitment, student training, and final placements.

1. Campus Recruitment & Employer Interaction

Industry Connections:

We build partnerships with leading companies to bring diverse job opportunities to our students.

Pre-Placement Talks:

Companies conduct presentations on campus to explain job roles, expectations, and selection procedures.

Recruitment Drives:

We organize on-campus drives, where companies visit to conduct interviews and assessments.

2. Student Preparation & Development

Resume Writing:

Workshops and guidance help students create impactful resumes tailored to specific roles.

Interview Skills:

Mock interviews and feedback sessions build confidence and refine interview techniques.

Aptitude & Technical Training:

We offer training to boost aptitude, logical reasoning, and technical skills.

Group Discussions:

Sessions develop communication and teamwork skills for effective participation in GD rounds.

Career Counseling:

One-on-one counseling helps students identify career goals and strategize their placement journey.

3. Selection & Placement

Online Registration:

Students register online for specific companies and roles.

Shortlisting:

Based on academic performance and resumes, students are shortlisted.

Assessments & Interviews:

Companies conduct tests and interviews to evaluate candidates.

Offer Letters:

Selected students receive offer letters and support from the Placement Cell for acceptance and onboarding.
